

## ANTI-BULLYING WEEK 2020

We have been busy this week at Woodside!

### ★ NURSERY

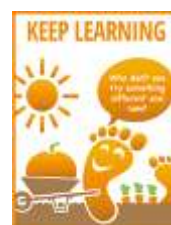

Key group time has focussed on talking about our feelings. Using puppets to see how we respond to others feelings, how we talk to each other to make them feel happy.

Staff have been modelling to the children how to do this and showing care to

others.

A different story has been shared with the children each day. Children talked about how the characters felt in the stories and how they may feel if someone was unkind to them.

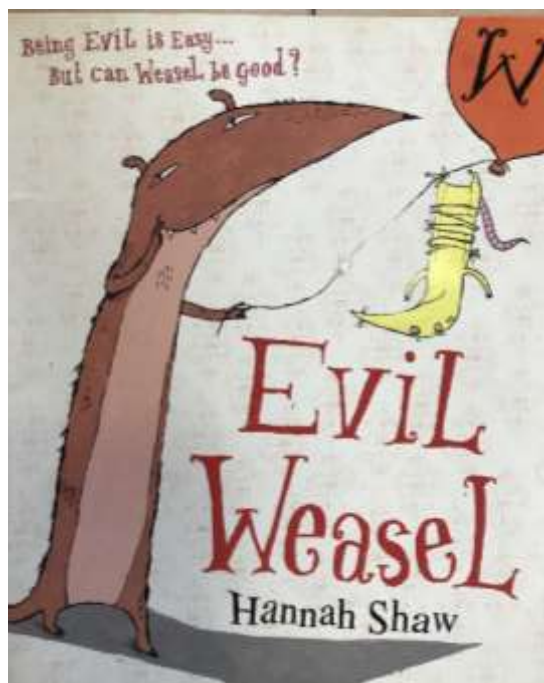

Check out our groovy odd socks!

Hmmmm... I wonder who these belong to?

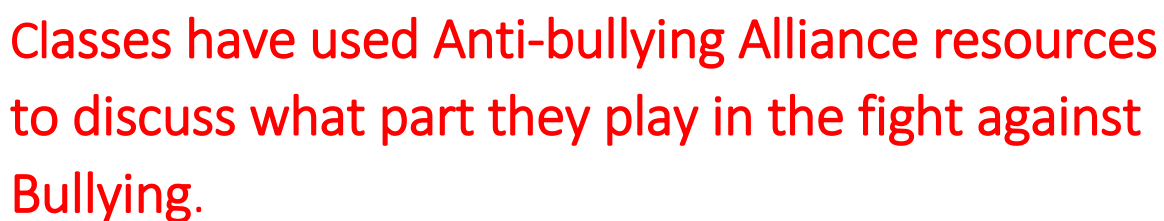

# ★ RECEPTION

Staff have been sharing this story with the children this week. Looking at positive friendships and how to be a good friend. Using kind words and actions, modelling the behaviour and also children have produced some lovely pictures and pupil discussions linked to the text.

**Kindness  
Starts with  
Yourself**

We would like to finish by saying thank you to the pupil who took the time to bring in a book from home and share with their class and staff.

They took the time to write why this book is important and how well it links to the main element of how people should be kind to themselves and then with guidance and support they will be kind to others.

Please don't forget, take the time to make sure your child is safe online and keep talking to each other!

Thank you so much to all of our wonderful and supportive parents and Carers, we couldn't do it without you!
