

Curriculum Map - Science

Science Intent

At Woodside, we promote the key skills within Science to encourage children to be interested in and aware of the world around them and develop critical thinking and confidence to question and explore. Children at Woodside will be able to plan and predict, investigate and observe, record, analyse and evaluate as part of working scientifically. They will know how to conduct fair investigations and use scientific equipment. Children will develop a strong knowledge of these skills and will provide the foundations for our future scientists.

	Autumn		Spring		Summer	
Year 1	Seasonal Changes	Everyday Materials	Animal Including Humans	Animals	Plants	Plants
	Seasonal Changes (revisited throughout the year as seasons change)					
Year 2	Uses of Everyday Mate	erials Uses of Everyday Materials	Animals Including Humans (Keeping Healthy)	Animals Including Humans (Life Cycles)	Living Things and Their Habitats	Plants
Year 3	Rocks	Forces and Magnets	Animals Including Humans	Plants	Plants	Light
Year 4	States of Matter	Sound	Electricity	Electricity	Animals Including Humans	All Living Things
Year 5	Properties & Changes of Materials	Forces	Earth and Space	Living Things and Their Habitats	Living Things and Their Habitats	Animals Including Humans
Year 6	Animals Including Hur	Living Things and Their Habitats	Evolution & Inheritance	Electricity	Light	Review of KS2 Science
