

History Curriculum Map – 2023-2024

History Intent

At Woodside, we aim for children to: be able to investigate and interpret past events; handle and analyse evidence; and understand that the way people acted in history, has had an impact on present day. They will know about the lives of significant individuals, significant past events both locally and globally and understand chronology. These skills will provide the children with a broad, historical vocabulary, and an ability to make links with our British Values.
